

Traditional Industries Need to Innovate Too!

Supply Chain Transparency at Your Fingertips

Ziv Baida, PhD. | BeNeLux Leader – Government, Trade & Emerging Technologies

November 23, 2017

Data quality is the Achilles heel of international supply chains

Importer... Exporter... LSP... Container... Commodity...

A black and white photograph of a person in a dark suit and tie, holding a small white card with the word "TRUST" written on it in red capital letters. The person's hand is visible, holding the card between their fingers. The background is plain white.

TRUST

Nearly two centuries of helping businesses build their relationship platform

The world's largest commercial database

30,000 data sources

5 million updates per day
